For a writer there is nothing worse than writer's block. The way you use this little handy e-book full of story starters, subjects, and word prompts, is to scroll down the list until something catches your eye and sparks your imagination. That's the prompt you should use. Mix and match word prompts, story starters, and anything else you can think of to help you. All writers use prompts of some kind, such as sentences, words, and even pictures.
