Driving Roi: A Summarized Venture Into Storytelling, Listening, and Measuring (Paperback)

By III John E Murray

Story Institute, United States, 2007. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. What's driving your ROI? Driving ROI sets the stage for driving excellence within your organization. Your path, position, and perspective influence where you add and find value in a business decision. Whether you are an executive, trainer, operator, or a member of the marketing team, you will find value in the surveys, summaries, and stories trapped within. Most conversations about return on investments begin by someone telling you their method of calculating a dollar value for your efforts. ROI calculations have been based on subjectivity and cavalier approaches to assigning value to efforts. The reality is we all contribute to a return. Sometimes, that contribution is positive. Sometimes, it is negative. Sometimes, we need to share our stories and connect them before we apply some formula or a calculation. Driving ROI provides important insight and connections to communication, listening, delivering, and integrating a distinct return to your investments.

Reviews

The most effective publication I have ever read. We have study and I am sure that I will likely to read yet again once again in the foreseeable future. You will not truly feel monotony at anytime of your time (that's what catalogs are for about in the event you request me).

-- Mr. Rafael Hoeger

Thorough guide! It's this sort of very good study. Yes, it really is play, nonetheless an interesting and amazing literature. You may like the way the blogger create this ebook.
