Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Just after World War Two and because of the use of the Atomic Bomb during that war a group of concerned scientists started something called the DOOMSDAY CLOCK because they thought quite rightly that the human race had just uncovered the technology that could end all life on this planet as we know it and they put the clock at about TWENTY MINUTES TO MIDNIGHT - an analog to when the world would end. Over the years since the inception of the Doomsday Clock these concerned scientists have moved the hand back and forth based on world events. During the so-called Cold War with the Soviet Union, they moved the minute hand forward to six minutes before midnight because we came very close to World War Three where hundreds of thousands of missiles would have filled the skies with the most deadly cargo ever - hydrogen bombs, each of them 100 times more powerful than the first atomic bombs this country dropped on Japan to end World War Two. This exchange of thermo-nuclear destruction between the two super-powers would have annihilated just about everything - causing a climate change that this planet has never seen before and would never see again and bringing with it the extinction of all or most life forms on this planet. IN 2015, the group of concerned scientists have been forced to move the doomsday clock s minute hand forward AGAIN to just THREE - MINUTES BEFORE MIDNIGHT - this because the COLD-WAR with Russia is back on again but this time with a vengeance, and also because of our current global industrialization that has caused the greatest amount of climate change the...
