CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 82 pages. Dimensions: 9.0in. x 6.0in. x 0.2in. PREFACE TO FIRST EDITION: THE Author, from the commencement of his study of the law, and more especially during his course of reading for the intermediate and final examinations, became convinced of the very great advantage to be reaped from a knowledge of the leading Latin Maxims, now so frequently quoted in all legal works; those given hereafter will be found to comprise all that occur in the recognised examination text-books, having been collected from such works. It will be remembered that a maxim is a general principle and universally approved leading truth ; therefore, even the most elementary student cannot do better than store away in his memory some of the more important of these rules as a foundation for future study. At every law examination questions are to be found that bear directly on someone or other of the principles contained in these maxims, and they are often quoted, the student being required to translate and explain their meaning and application they are, in fact, equally important with Leading Cases. Those maxims only have been selected which are constantly met with by the student, and which he would do well to commit to memory; leading cases are also referred to. The explanations have been made as brief as possible, and for deeper research the student is referred to Brooms Legal Maxims. PREFACE TO SECOND AND THIRD EDITIONS: AFTER a busy and practical experience of many years the writer can now in all earnestness as during the days of studentship he did in all distrust and doubtfulness emulate the writer of old who said Cognitio legis est copulata et complicata. Our greatest writers of more recent years...
