HarperCollins Publishers. Paperback. Book Condition: new. BRAND NEW, The Bumpy Road to Married Bliss, Chris Dicken, Donny Wong, In August 2012, Donny and Chris found themselves outside Islington Town Hall preparing to start the next chapter of their lives together. But from meeting on an Isle of Wight cliff top, to getting engaged in Thailand, and finally tying the knot in London, it was one hell of a journey that had taken them there. The Bumpy Road to Married Bliss follows the many funny and touching twists and turns of Donny and Chris's journey towards their wedding day; from being born on different continents, to organising a multi-faith, trans-Atlantic, inter-racial wedding with disapproving families in tow - proving that the course of true love really doesn't run smooth. Tender, honest and told from both Donny and Chris's points of view in alternating chapters, this is a modern day love story you won't be able to put down.
