

Singapore 60s: An Age of Discovery

Filesize: 7.57 MB

Reviews

A top quality publication as well as the typeface used was intriguing to learn. Yes, it is play, still an amazing and interesting literature. I discovered this publication from my i and dad suggested this book to learn.

(Prof. Louvenia Flatley)

John Wiley & Sons Inc. Hardback. Book Condition: new. BRAND NEW, Singapore 60s: An Age of Discovery, George W. Porter, Never-before-published photos document the birth of a global powerhouse Singapore 60s: An Age of Discovery provides a firsthand glimpse at the early days of the city-state, as told through the never-before-published photographs of an American diplomat. Author George W. Porter served as a Public Affairs Officer at the U.S. Embassy in Singapore from 1965 to 1970; as a former journalist and amateur photographer, he found himself in an ideal position to document the early days of the newly-independent city-state, and the promise and ambition that led to the Singapore we know today. These photographs capture scenes of a bygone era, with Singaporeans young and old living and working in maritime surroundings so heavily dependent on the Singapore River. A far cry from the bustling metropolis Singapore has become, the scenes in these photos nevertheless capture the heart and soul of the Singaporean citizens, and the first tiny steps that birthed a model city-state and global economic powerhouse. Lee Kuan Yew, Singapore's first and founding Prime Minister, espoused a philosophy of transparent and pragmatic governance that turned a tiny, resource-poor city-state into one of history's greatest nation-building success stories. This book captures the spark of the early days, and presents a prescient view of what was to come. * Witness the sleepy glory of 1960s Singapore * Remember the energy and promise of Singapore's first steps * See how far Singapore has come in a mere fifty years * Consider what the next fifty years may hold for this bustling powerhouse What better way to honor Singapore's Golden Jubilee than to look back at the birth of this global success? Singapore 60s: An Age of Discovery gives you a front-row seat...
