Larrison is a prolific and imaginative writer with an unconventional approach to story construction -- wasting no space, wasting no time, he gets to the heart of the action and stays there. If you enjoy a rollicking, action-packed tale, look no further! I took a chance, and glad I did. Wordlings, Amazon review Begin the journey to another world. The end of World War II brought the allies a treasure trove of advanced technology that sparked a frenzy of weapons development unseen for ages. Today, we soar into the sky atop rockets created by captured Nazi scientists and American engineers. Too bad we lost track of the anti-gravity UFO technology they were developing. or did we? Lt. Joel Carpenter has learned that the Bavarian resistance fighters he s working with to destroy a Nazi super weapon are beings from an alternate world on Earth. Join him as he flies off on the back of a fire breathing dragon to fight the remains of Hitler s army who seek a refuge in a land of myth and legend lost to history for all time.
