MY MOTHER, YOUR MOTHER: EMBRACING "SLOW MEDICINE," THE COMPASSIONATE APPROACH TO CARING FOR YOUR AGING LOVED ONES

Harper, 2008. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: What's the right thing to do for mom and dad as they get older? Thanks to advances in science and medicine, more of our parents are living longer than ever before. And though we are rewarded with more time with the people we love, we are also faced with new sets of complications—more diseases, more disability, more need for support and careful judgments. Yet...

Reviews

This publication could be worth a read through, and far better than other. This is certainly for all those who state there was not a worth reading through. You may like just how the author compose this publication.

The most effective ebook i possibly go through. I am quite late in start reading this one, but better then never. Its been designed in an extremely basic way and it is just after i finished reading this ebook by which basically transformed me, modify the way i believe.
