Reviews

This is basically the finest publication i actually have go through till now. We have read and i also am confident that i am going to likely to read through again once more in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.

AUTHORHOUSE, United States, 2009. Paperback. Book Condition: New. 198 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.How do you make sure you deal with your life affairs intelligently? What do you do to ensure your creativity and maturity? Vijay Pabbathi s approach transcends intellectual and spiritual restrictions and highlights the best possible strategies for us to live life with intelligence and creativity. Through this journey of discovering more about the human body, he reveals the invisible rules of Nature. Further, he offers insights and analysis, through the use of metaphors and examples, on how we can apply these rules in our lives for maximum fulfilment. The Unknown Truth of Life is a concise guide to life that capitalises on everyday examples to aid the reader. Each chapter gives simple and practical steps that we can all incorporate to avoid the traps of society that can mislead us into believing we are making the right decisions to be happy on our path through life. Life becomes meaningful as long as your life is more important than your ideas and requirements. - From this book Life cannot sustain as long as we treat life as a machine or business - because life requires the flow of Nature s intelligence and it always moves in a non-linear fashion.- From this book.
