John Hunt Publishing. Paperback. Book Condition: new. BRAND NEW, Let the Standing Stones Speak, Natasha Hoffman, Hamilton Hill, The messages encoded in the standing stones of Carnac combine and transcend spiritual truths from many disciplines and traditions, even though their builders lived thousands of years before Buddha, Christ and Muhammed. They explain the true power sources in our world and provide a design for realigning ourselves with them. They interpret the lives of the great teachers and recount the dark history of Atlantis. Linking the chakras, crystals and earth spirits, redefining incarnation and forgotten realms of existence both here an on other planets, they promise us a future of tranquility and peace, children born free of karma on a clean earth, the New Jerusalem. Natasha Hoffman felt welcome when she first stood in the presence of these mysterious giant monuments, set up around the same time as Stonehenge. Walking along these alignments with her companion, Hamilton Hill, she first heard the voice. "This is a vast wisdom library," she realised, "and we can read it." With notes on the author's personal pilgrimages and more than a dozen photographs, The Standing Stones Speak is a great adventure and also a text that may become the New Age Bible.
