

## Implementing AppFog

---

By Matthew Nohr, Isaac Rabinovitch

Paperback. Book Condition: New. Not Signed; This book is a practical, hands-on guide to implementing and deploying apps on the AppFog platform. Implementing AppFog is for developers who want to be able to upload applications to the cloud, and for implementation specialists, who implement and deploy apps on the AppFog platform. It is best to have Ruby installed, but we will walk you through the installation process if you do not already have it. It would be ideal to have some knowledge of cloud computing and know about the basics of database and network deployment. book.

### Reviews

*Completely essential study publication. Better then never, though i am quite late in start reading this one. I am very easily could get a delight of reading a composed publication.*

-- **Marilyne Macejkovic**

*Without doubt, this is actually the greatest work by any writer. It is actually writter in simple terms instead of confusing. I found out this ebook from my i and dad recommended this pdf to understand.*
