MANAGEMENT OF CEREBRAL PALSY: A TRANSDISCIPLINARY APPROACH

Sage Publications, New Delhi, India, 2006. Paperback. Book Condition: New. First Edition. Children with a debilitating condition like cerebral palsy receive treatment from a variety of specialised therapists at once. This book documents and builds on the experiences of a team of special educators in south India, who have been experimenting with a new strategy for working with children with disabilities. In this approach, rehabilitation workers are trained in physiotherapy, occupational therapy, and speech and language therapy, thereby preparing them...
