Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Hopelessness and loss are the common companions of infertility. All infertile couples long for resolution, for one more glimpse of hope. but that hope fades with each attempt to conceive a child. Empty Hands to Open Arms is one such journey. Page after page, Paula Hernando describes the loss of a child she would never get to meet, conceived only in her and her husband s imagination. She illuminates her lifelong struggle of trying to bend the hand of God in order to conceive or grant her a child through adoption.Paula s story offers hope where there seems to be only waiting, pain, and frustration. This is a testimony of the relentless faithfulness of God to heal the broken-hearted in surrender to His ultimate plan. Paula s challenge was to learn that her resolution had been there all along. About the AuthorPaula Hernando received her diploma with highest honours as a freelance writer with International Correspondence Schools in 2001. She is a freelance writer who loves true stories of people experiencing the goodness of God. She has had two articles published in Living Light News Stepping : Stones to Hope (2012) and From Rock Bottom to Rock Solid (2012). Paula was thrilled to be shortlisted for Word Alive Press s 2015 Free Publishing Contest in the non-fiction category for this, her first book. When not writing, her main love is the children she has connected with for over twenty-five years as an early childhood educator.
