Brand New Book ***** Print on Demand *****.Businesses everywhere attempt to manage the place without understanding the LEADERSHIP DILEMMA (and the impact on their bottom line - \$\$\$). Companies are pretty much led by previously proven employees given management titles! The management myth that anyone with business/operational know-how can lead is costing organizations BIG TIME. This practice of assuming anyone can lead is embedded into our society and organizations everywhere. Our cover pic paints a pretty accurate story of what businesses do with managers. Leaders are thrown out on a tightrope with no support, no preparation, all on their own doing a balancing act of being the KNOW IT ALL while literally KNOWING LITTLE of real leadership.their real job! This is a LEADERSHIP book to HELP those who lead people - want to understand why you others are struggling? The dilemma laid out within is applicable to the workplace, all business/industry, church, school, parenting, teaching, coaching-virtually any role that requires leadership. Give a man a fish he eats today. Teach him to fish he eats for a lifetime. Read within how these words translate to LEADERSHIP TRANSFORMATION.
