Not illustrated. 1890 Excerpt: .part of his life when his musical genius was awakened; next month we will continue the article, giving his career as an actor and philosopher. Many of Delsarte s ideas are analogous with Froebel s--thus should we not wish to know more of this great master? We are soro to announce that our customary article by Miss Anna Payson Call, on Physical Expression is not forthcoming this month. She promises to be on time for the March issue. Those who read her article Quiet in the Kindergarten, will be glad to know that she is engaged as a regular contributor. She has made physical expression the study of her life and for several years has been studying its application to the Kindergarten. She does not interpret Francois Delsarte simpl.y as an actor, but as a deep philosopher who taught us not only how to acquire the natural graces, but how to preserve them in the children in our care, how to direct the life-forces that they will manifest strength and beauty. The publication year of The KinderGarten closes in June and begins in September. The great musical work being done by Prof. Win. L-Tomlins, with the children of Chicago, and the supplementary lectures to mothers and teachers ( which begin this month) will be duplicated in Milwaukee after the 1st of February. The work is under his direction and will be in the immediate charge of Miss Hofer, every Saturday being devoted to the classes. The...
