Brand New Book ***** Print on Demand *****.Excerpt from Child Life in Literature: A Fourth Reader This book, the fourth of the Child Life Series, has been compiled for the purpose of giving children material from the best available literature, and through this material aiding them to acquire a taste for reading genuinely good books. Many of these selections are made from classic literature; all are of recognized value. As the name of the book implies, the selections are not made indiscriminately, but with the definite purpose of introducing the animate child to the child of fiction. Alice, Tom, Gluck, Cosette, Aladdin, Jackanapes, and Tiny Tim should be as familiar to boys and girls as are their playmates. What better can we do for the children than to give them these life-long friends! The poem entitled Wynken, Blynken, and Nod, by Eugene Field, is used by permission of and by arrangement with Charles Scribner's Sons.
