Reviews

It is one of the most popular publications. It is actually written in easy words instead of confusing. You will like how the author created this book.

Xulon Press, United States, 2014. Hardback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.The Coordinate Geometry Project Student Workbook enables middle and high school students to value their God-given capacity to understand mathematical applications, by creating illustrations that are synchronized with algebraic formulas. The momentum from their hands-on creations engages real sense making and reasoning for problem solving with unlimited potential for mastery of mathematics as a universal language. Reverend Jerry L. Rankin, Founder GPA Challenge, LLC Author, The Coordinate Geometry Project Student Workbook Reverend Rankin, an innovative community math educator, has developed an engaging approach to advanced math education that combines pedagogies that accelerate students learning of algebraic logic with geometric illustrations while supporting acquisition of basic computational skills. His innovative Student Workbook for The Coordinate Geometry Project can be used in urban high schools that are responding to mandates to increase math standards for students who are not prepared for the rigors of required curriculum. Edward P. St. John, The University of Michigan s Algo D. Henderson Collegiate Professor of Education.
