Reviews

This is the finest publication we have read through right up until now. Better then never, though i am quite late in start reading this one. Its been written in an remarkably easy way in fact it is only after i finished reading through this book by which basically altered me, affect the way i think.
(Dr. Gabriella Hayes)

Scholastic US, United States, 2012. Paperback. Book Condition: New. Reprint. 203 x 132 mm. Language: English . Brand New Book. Eff is riding west, away from the safety of the frontier city she s always known. Eff could be a powerful magician if she wanted to. Except she s not sure she wants that kind of responsibility. Everyone keeps waiting for her to do something amazing--or to fail in a spectacular way. Worse, her twin brother, Lan, a powerful double seventh son, is jealous of all the attention she s been getting. Even as Eff protests that she s just an ordinary girl, she s asked to travel past the Barrier Spell with one of the new professors at her father s school. The land west of the Barrier is full of dangers, both magical and wild. Eff will need to use all her strength--magical and otherwise--to come safely back home. With wit, magic, and a touch of good pioneer sense, Patricia C. Wrede once again weaves a fantastic tale of the very wild west.
