Rather than depending on snippets of wisdom to build a new faith, Wicca for Beginners provides a solid foundation to Wicca without limiting the reader to one tradition or path. Embracing both the spiritual and the practical, Wicca for Beginners is a primer on the philosophies, culture, and beliefs behind the religion, without losing the mystery that draws many students to want to learn. Detailing practices such as grounding, raising energy, visualization, and meditation, this book offers exercises for core techniques before launching into more complicated rituals and spellwork.
