By Suryanarayana Raju

Createspace. Paperback. Book Condition: New. This item is printed on demand. Paperback. 218 pages. Dimensions: 11.0in. x 8.5in. x 0.5in. At present human is leading a way of life in which his action leads to sorrow however sincerely we execute the work. This is because he is applying laws that are applicable to physical plane in which doing is relevant and so time and space, to psychological realm in which doing is a hindrance and only timeless insight solves the problems. Thought has a place in physical reality but it has no role to play in the psychological realm. But we are using thought for solving problems which are caused by thought. Ego is psychological memory and we are functioning from ego. Ego is circumscribed consciousness with conditioning. So we are facing life which is always new with past, fixed, limited conditioning. So one ego is opposed to another ego because each has its empirical goal apart from that of whole existence. Our life is thought based which has very short life span and so always seeks security. So thought weaves me to be secure and all its action is aimed to protect this thought woven me. Because there are opposing...
