Summary: Praise for Spousonomics Spousonomics is one of the most delightful, clever, and helpful books about marriage I've ever seen.-Elizabeth Gilbert, author of Eat, Pray, Love and Committed " Spousonomics lets you peer into other people's relationships, with valuable lessons for your own. A fun and breezy read for anyone who wants to be both smarter about economics and wiser about love." Steven Landsburg, author of The Armchair Economist and More Sex is Safer Sex " Spousonomics offers couples real life, common sense solutions for some of the knottiest conflicts regularly experienced in marriage.
