It in a single of the most popular ebook. It really is simplified but excitement in the fifty percent from the pdf. It is extremely difficult to leave it before concluding, once you begin to read the book.

Random House Australia, Australia, 2007. Paperback. Book Condition: New. 193 x 190 mm. Language: English . Brand New Book. This beautifully illustrated book by the talented Donna Rawlins tells of the story of Shipley (a panda) and Gwendoline (a hippopotamus) who receive birthday gifts more size appropriate for the other. When they meet at playgroup, they resolve their dilemma of a too big pedal car for Shipley and a too small tricycle for Gwendoline by swapping. The text is age appropriate for the beginner reader with concepts introduced and built upon/repeated for word recognition. It has a strong educational value by effectively teaching size, sharing, acceptance and conflict resolution.
