By Barry Sullivan

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. This book contains a number of different tips and tricks that you can use in order to take an older motorbike and convert it into a Britbike that everyone can be impressed with. Take it anywhere on the planet and you will feel like you're the king of the road. You can't deny that cafe racers, when put together correctly, are very attractive. They look very smooth, and they can move pretty quickly if you put the time into the engine. Even with the small amount of horsepower that they have, they look and drive better than any other rice rocket that you see on the roads today.
