Diversion Books, United States, 2015. Paperback. Book Condition: New. 213 x 137 mm. Language: English . Brand New Book. Some families you are born into. Some you choose. And some choose you. Four women have little in common other than where they live and the joyous complications of having sisters. Cindy waits for her own life to begin as she sees her sister going in and out of hospitals. Lise has made the boldest move of her life, even as her sister spends every day putting herself at risk to improve the lives of others. Diana is an ocean apart from her sister, but worries that her marriage is the relationship separated by the most distance. Sylvia has lost her twin sister to breast cancer, a disease that runs in the family, and fears that she will die without having ever really lived. When Diana places an ad in the local newsletter, Cindy, Lise, and Sylvia show up thinking they are joining a book club, but what they discover is something far deeper and more profound than any of them ever imagined. With wit, charm, and pathos, this mesmerizing tale of sisters, both born and built, entralls on every page.
