Treatment of the Diseases of the Stomach and Intestines (Classic Reprint) (Paperback)

By Albert Mathieu

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English Brand New Book ***** Print on Demand *****.Excerpt from Treatment of the Diseases of the Stomach and Intestines This volume contains a general summary of the therapeutics of diseases of the stomach and intestine. It is impossible to separate the study of the affections of these two portions of the digestive apparatus, especially as regards general pathology and dyspepsia, and the question of treatment is hardly more easily divided. The pyloric and ileocaecal valves are anatomical boundary lines much more than they are barriers in the domain of normal and morbid physiology. Two facts brought forward in recent years have changed very considerably our views concerning gastro-intestinal pathology; these are the advances made in the chemistry of the stomach and the demonstration of the pathogenic importance of intoxications of intestinal origin. Our aim has been to show clearly in what measure these new ideas have modified the indications for treatment, to set forth the objects which the therapist has to propose to himself, and to indicate the means at his disposition for fulfilling them. We must not forget that the last word is far from...
