

## Thinking Like a Physicist, Physics Problems for Undergraduates

By Thompson

Taylor & Francis, 1999. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service!

Summary: A useful revision aid for students, and a source of thought provoking questions for lecturers. A teaching and learning aid for undergraduate students of physics. It contains about 150 problems, taken from all branches of the subject. For each problem, the second part of the book provides a 'solution' varying from a few hints on how to proceed to full details. Some questions deal with topics usually encountered in the later years of an undergraduate course, but most relate to elementary matters within the competence of first and second year students.
