Createspace, United States, 2015. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.The science of assessing rangelands is changing as concepts and protocols continue to evolve. The concept of rangeland health was advanced as an alternative to range condition. The ecological status concept is currently used by most range professionals as the basis for inventory and assessment. Although the term health has been controversial when used in association with natural systems.
